ANTHEM DISPLAYS

YOUR PARTNER IN DIGITAL OUTDOOR

It starts with a focus on you. Combine over 40 years of experience in the outdoor industry, world-class design and engineering, the highest production standards and unparalleled customer service. The result is a stunning display, robust in form, simple in function and backed by excellence. Because we understand it takes more than just being a manufacturer, we're your partner in digital outdoor!

16 & 20 MM  
PRODUCT RANGE

- Highest quality LEDs & components
- Ultra-low power consumption
- Fully Redundant power & data
- Monitoring, diagnostics & alerts
- Remote access & reboot
- Meets brightness & visual requirements of the OOH industry

STATE OF THE ART PRODUCTION

AT HOME IN THE USA

At Anthem, all phases of design, engineering and production are located in the USA. Yet as a member of the Prismaflex International family of companies, we also offer unprecedented global strength and resources to serve you.

- Dedicated factory with highly automated manufacturing line, located in Colorado
- Proprietary electronics and firmware designed and built under the same roof
- North Carolina based sales, customer service and support center

EVERYTHING YOU NEED

AND NOTHING YOU DON'T

Designed specifically for the OOH market, Anthem delivers a dramatically simplified control architecture and display wiring. It's everything you need and nothing you don't!

FEWER COMPONENTS, CABLES  
& CONNECTIONS MEANS FEWER  
POINTS OF FAILURE

- Fully sealed LED modules offer a 100% barrier against moisture
- Only two connections per module
- Quick-release front & rear service with convenience handle
- Exclusive shader design for highest contrast
- 400x400 universal module size

WEB-BASED CONTENT MANAGEMENT

USER-FRIENDLY. ANYWHERE. ANYTIME.

Acknowledged time and again as the industry's most powerful yet user-friendly software, the Anthem content manager offers drag-n-drop functionality with the tools to easily handle the most complex of schedules.

Using your own third-party software solution for content management? No problem! We can accommodate all major third-party software players.

WE MAKE IT SIMPLE

DELIVER. CONNECT. GO LIVE!

- Direct to upright mounting
- One piece cabinet lifts for bulletins, junior bulletins & posters
- Cabinet integrated cabinet arm connection

PRECISION CABINETS

DESIGNED FOR OOH

It's all about your bottom line and we've covered every detail. Utilizing state-of-the art machinery and methodology, Anthem cabinets are designed and manufactured for ease of installation and ease of service... saving you time and money!
